Notes: 1) If you trap and then shoot to despatch, it counts as trapped, not shot 2) Please hand (or email) your completed form to your WRS contact. 3) Ideally at least every 3-6 months 4) If you start culling at more locations you will need a form suitable for multiple sites. 5) If you don't have a regular WRS contact, forms can be posted or emailed to: Steph McIvor, Ulthwaite Fold, Kentmere, Kendal, LA8 9JH. Email: steph@westmorlandredsquirrels.org.uk Tel: 01539 821714. 6) If you see a red elsewhere, please report via the WRS website or email/phone Steph with details: date - grid reference – location. Many thanks – your help with grey control and submitting records is a very much appreciated contribution towards saving our red squirrels. www.westmorlandredsquirrels.org.uk
